

MCES MEDIA RELEASE FORM

Maury City Elementary School seeks opportunities to publicize the success of our students. Signing this form gives the staff at MCES permission to use a student's picture and name to be published on our school Facebook page, our website, local newspapers and publications. Parents who do not wish to grant this permission must notify the principal in writing of that request prior to August 15th. MCES will make every reasonable effort to honor that written request. We look forward to a great year!!!
