

Crockett County School District Monthly Newsletter

August 2021

Welcome Back!

A Note from Director of Schools

Dear Crockett County School Family,

Thank you all for your hard work and planning to get our schools and classrooms ready for our students! It was great to see everyone's faces and to return to some normalcy.

One of the feedbacks from your ESSER 3.0 surveys was to improve communication. To improve on this area, each month you will receive a newsletter with information and district news from our departments from me. Check your emails!

As you go forth these next few days and weeks, please remember the 3 R's: Relationships, Rigor, and Relevance. You are the link to our students and families and building those relationships are vital!

I, also, want to take a moment and extend our sympathy to Mrs. Debbie Hurst and her family. Please continue to keep her boys and her family in your prayers. Thank you to those that have already made efforts to assist the family.

We have many who have been and are currently being affected by COVID, we want you to know you are in our thoughts and prayers. We are here to support you in any way that we can. Reach out to us and we can help our staff, students, and families.

**Our District Website has lots of information!
Check it out!**

COVID Updates

<https://covid19.in.gov/>

COVID cases are spiking and there are daily changes to protocols. As a District, we are going to strive to be as diligent as possible.

- Masks are highly recommended.
- Masks must be worn on buses.
- Seating charts for classrooms (turn those into your school nurses)
- Do your best to social distance.
- COVID testing is available on-site here for ALL CCSD STAFF & CCSD STUDENTS!
- Contact your school principal or nurse for more info!

Building & Technology Updates:

Building projects are moving forward. All classrooms should have activpanels of some type and computers. We are now a 1:1 district on our computers.

Synergy & Transportation Updates:

Synergy updates every night. If you have any questions about synergy or transportation, let me know. We are in need of additional bus drivers. If you are interested or know someone who may be, have them contact the BOE.

Food & Nutrition Updates:

We are excited to begin this school year with a new kitchen at Crockett County Middle School. A new walk-in freezer and cooler were added over the summer months, and we hope to add a few new pieces of equipment throughout this year to make the Middle School a stand-alone kitchen.

LEAPs:

LEAPs will begin on Monday, August 9.

Special Education:

Reminders to be familiar with your IEP at-a-glance and if you have questions, we have a great team in our schools to help you! We are excited to have a school psychologist as well.

ESSER 3.0:

Please complete surveys and turn those into your principals. I will be by in a few days to pick-up. Also, students grades 4-12 will need to complete a student survey by August 13. Principals will be sharing that information with you.

Coordinated School Health:

We are excited to welcome additional nursing staff to our district. We can now offer COVID testing for our staff and students. The park is almost ready!

Teleworking:

Please see your building principal about information first and then, Mr. Foust or Dr. Hoover will be available to discuss with each individual further instruction.

Important Dates:

August 2-First Day of School

September 6-Labor Day Holiday

September 7-PD Day No Students

October 4-8-Fall Break
